The First Asia Conference on Disaster Prevention and Mitigation in Civil Engineering

The First Asia Conference on Disaster Prevention and Mitigation in Civil Engineering (**DPMCE 2025**) will take place from **September 25 to 27, 2025**, in the dynamic city of **Osaka, Japan**. This conference aims to create a global platform for academic and industrial exchange, focusing on civil engineering, earthquake engineering, and disaster mitigation. Participants will collaborate to address challenges posed by natural and man-made hazards to infrastructure, driving innovation and enhancing structural resilience. The conference will cover key topics such as seismic retrofitting, flood control engineering, intelligent disaster prediction, and climate-adaptive design. DPMCE 2025 invites leading scholars, industry experts, and practitioners worldwide to share cutting-edge research and practical insights, fostering cross-disciplinary collaboration and technological integration to advance sustainable disaster risk reduction in the Asia-Pacific region.

Conference Information:

Conference Name: The First Asia Conference on Disaster Prevention and Mitigation in Civil Engineering

Conference abbreviation: DPMCE 2025

Conference time: September 25-27, 2025

Conference venue: Osaka, Japan

Conference website: https://www.dpmce.asia/

Submission deadline: July 25, 2025

Paper Topic

T1: Building Materials

Construction Materials and Techniques

Geosynthetics

T2: Structural Seismic Resistance

Seismologye

Seismic resistance and control of engineering structure

T3: Disaster Prevention and Mitigation

Natural Hazards

Geological Hazards

T4: Disaster Management

Disaster Monitoring, Broadcasting, Early Warning and Information System

Health, Emergency Preparedness and Post-Disaster Healing

The topics for submission include but are not limited to the above. For more topics, please refer to the conference website: https://www.dpmce.asia/call_for_paper.htm

Publication:

Papers submitted to DPMCE 2025 will be reviewed by technical committees of the conference. All accepted and presented papers will be published in the conference proceedings and submitted for major indexing services like **EI-Compendex**, **SCOPUS**, etc.
